Solid Axle Corvette Club

The Solid Axle Corvette Club is for enthusiasts who drive and show America's first sports car., our beloved C1's. The Solid Axle Corvette Club invites you to share our enthusiasm and dedication to the Solid Axle Corvettes, and to enjoy the fellowship of our members.

SACC is the initials of the Solid Axle Corvette Club. So, just what is a solid axle Corvette? The rear axle housing on all 1953 to 1962 Corvettes was a one-piece shell. The rear differential (rear gears) and the axles were mounted within this rear axle housing. (The rear axle housing is sometimes called a solid [or straight] axle housing.)

Beginning with the 1963 model year, Corvettes had an independent rear suspension (IRS). The rear differential is built into the center housing: universal joints and short shafts (called jack shafts) transfer power to the rear wheels. Each rear wheel reacts independently to the road surface, and has earned the nickname "rubber axle".

The Solid Axle Corvette Club (SACC) is a non-profit organization dedicated to the preservation, care, history, and enjoyment of the 1953 to 1962 Corvettes. Ours is a family oriented club with membership covering all members of your family. You do not need to own a Corvette to join.

Road Rules

The **Michigan** is the quarterly newsletter for the Michigan Chapter of the Solid Axle Corvette Club and is published four times yearly (Spring, Summer, Fall & Winter). It is published in PDF format, e-mailed to members in good standing.

Membership in the Michigan Chapter is open **only** to members of the parent organization, the Solid Axle Corvette Club. The Solid Axle Corvette Club is a non-profit organization, serving members with an interest in 1953—1962 model year Corvettes. Ownership of a Solid Axle or any Corvette is not necessary to become a member of the organization.

The newsletter provides a forum for members to communicate with other members. As a result, the newsletter will often contain member opinions. Those opinions should not be construed as an endorsement by Michigan SACC or the parent organization, SACC.

Direct National SACC Membership questions to:

Lucy Badenhop, SACC NATIONAL
P.O. Box 2288
N. Highlands, CA 95660-8288
badenhop@comcast.net

Michigan membership dues, inquiries and corrections to the address list should be directed to the Treasurer:

Kathy Hutchins
9417 N. Rich Rd.
Alma, MI 48801
kjhh41@hotmail.com

Membership renewal and application form on previous page.

Please submit articles for publication to the editor. Generally, articles for publication should follow the broad theme of anything of interest to the Solid Axle Corvette community". Suggested items for publication would include how-to articles, parts information, performance issues, scheduled events, restoration or repair information, and personal stories.

The Michigan Newsletter editor can be reached at:
